

Medical University of Warsaw, Poland
REGPOT-2012-2013-1 Program EU FP7

Project BASTION (From Basic to Translational Research in Oncology)
is looking for a

POSTDOCTORAL FELLOW

in the project on the epigenetic regulation of genes involved in extracellular matrix remodeling. The successful candidate will investigate the role of miRNA in progression of cancer. The project begins in the first quarter of 2013.

Ref. no: APK2/1210-10/2013

Requirements:

- PhD degree (or equivalent) in molecular biology, biochemistry, biology, chemistry, physics or medical sciences, and extensive experience in the field (minimum two-year post-doctoral employment, preferably previous post-doctoral positions different from the PhD awarding institutions),
- outstanding publication record,
- experience in cell culture and transfection/transduction of mammalian cells
- be highly motivated (demonstrated via joint publications, references of the candidate's thesis tutor, previous post-doctoral positions different from the PhD awarding institutions),
- be proficient in English.

Required documents and declarations:

- CV
- Letter-of-intent
- Reference letter(s)
- Copy of degree diploma(s),
- Copy of certificate(s) of employment,
- Contact information, including e-mail address and phone number
- Declaration about authorization for personal data processing: „I hereby authorize you to process my personal data included in my job application for the needs of the recruitment process (in accordance with the Personal Data Protection Act, Journal of Laws of 2002, no 101, item 926 as amended)
- The candidates may include additional information or copies of documents/certificates in support of the application.

Selection criteria

A detailed analysis of the received applications will be based on the following evaluation criteria:

- List of publications: 0-50 points
- Professional experience: 0-25 points
- Previous international experience: 0-10 points
- Adequacy of the prepared letter-of-intent with the target-project: 0-5 points
- Reference(s): 0-5 points
- Certificates of extra qualifications that may be of some value for the execution of the project: 0-5 points

Position is offered for 30 months with the possibility of extension.

Applications should be submitted by 3p.m. (Warsaw time) on 6th February 2013 to magdalena.winiarska@wum.edu.pl with a note in the e-mail subject:

"Competition for the position of Postdoctoral fellow ref. no APK2/1210-10./2013 in "BASTION" project

The admission procedure will be carried out in two steps. First, the applicants are requested to submit application documents. Short listing will be carried out within 3 days after the closing date. Applications will be assessed against person specification criteria and 3-4 applicants will be invited for interview. During the interview candidates will be scored with regard to communication skills, teamwork and project competency. Successful candidates will be offered a position within 2 days after the interview date.
